Catching / Spreading						Employees are reminded to not touch their eyes, nose or mouth if their hands are not clean.								
(continued)						A cleaning schedule will be implemented throughout the site, ensuring that worksurfaces, door handles, taps etc. are all thoroughly cleaned with an antibacterial cleaning substance.								

	Employees, visiting team, public	5	3	15	Н	We will also work towards any cleaning / infection control requirements outlined by the government. Employees will be told to self-isolate for 14 days should they find they have a new, persistent cough and/or a high temperature. Should employees disclose that personnel living with them are self-isolating, they should be encouraged to do the same for 14 days as per Government guidance. The FA documents that have been produced in line with Government guidance, which saw the easing of lockdown restrictions on gatherings, public spaces and outdoor activities and the phased return of outdoor sport and recreation should always be adopted.				5	1	5	М

Employee & Visiting Team travel	Employees, visiting team, public	5	2	10	н	We will ask employees and the visiting team/supporters to inform us if they are leaving the country. We will provide relevant FA and government guidance in line with the area / country that they are visiting. Self-isolation will be enforced in line with the area / country guidance.	See attached Appendix			5	1	5	М
Lack of awareness	Employees, visiting team, public	5	3	15	Н	The latest government and FA campaign posters will be displayed in the entrance lobby areas and in suitable places around the stadium. Toolbox talks will be carried out for all personnel on site, warning them of the risks posed by the virus as well as the control measures outlined in this assessment and from FA and government guidance. This will include informing personnel of the known symptoms. We will continually adopt and review new FA/ government / WHO guidance as and when it is available.				5	1	5	м

All Dressing Room Areas						The dressing rooms and additional dressing room areas are shown in Appendix A which clearly show designated access routes to follow.							
						Staff will check and clean the dressing rooms regularly. Antibacterial soap will be placed in the toilets for players/staff and there will be a hand sanitiser dispenser inside the dressing room overall area as shown in Appendix .A							
						Doors will be kept open where possible to reduce the need for players to touch handles by pushing or pulling them open, however wipes will be available to enable coaches/visiting management to frequently wipe handles down with antibacterial wipes to reduce risk.							
						No Children are allowed within the dressing room area at any time.							
	Employees & visiting team	5	4	20	VH	Dressing room area to be used minimally by visiting and home team – propose 5players change every 10mins and then stand outside dressing room area socially distanced within tunnel and adjacent area.		CHAIRMAN & DIRECTORS		5	1	5	м
						Prior to kick off and at half time numbers in the dressing room shall be kept to a minimum – max 11 players and 2 managers/coaches.							
						At full time the team shall leave the field of play via the tunnel area and have the post match meeting with minimum numbers as above. In order to reduce numbers changing should be staggered.							

						We would prefer all players/coaches etc to not utilise the showers however if they need to then only 2 persons to use the shower at any one time and foot coverings to be worn at all times. The push buttons to operate the showers shall be washed with an antibacterial wipe prior to the next person utilising the shower. The entire dressing room area should be kept clear of any persons not needed. Numbers shall always be kept to a minimum.
